

SG500

The perfect printer for the hobbyist or moonlighter, the SG500 fits comfortably on a desktop, and prints on media up to 22 x 36 cm (A4/Legal).

This allows you to apply custom artwork to a wide variety of popular, high-margin items, from mugs and coasters to phone cases and awards.

The SG500 has the ability for energy-efficient, prints with higher resolution, and offers Wi-Fi connectivity. It is also backwards-compatible with SG400 accessories including bypass tray for the SG400.

The SG500 is back by a 2-year limited warranty, as well as

SG1000

The SG1000 has the pro-level print consistency and versatile dimensions. The SG1000 prints on media up to 28 x 43 cm (A3), with its standard tray. The ideal printer for the growing business or ambitious entrepreneur.

This is perfect for apparel, soft goods, and small or medium-sized photo panels.

The SG1000 is backwards-compatible with SG800 accessories, such as the bypass tray for the SG800. It also has the ability for energy-efficient, prints with higher resolution, and offers Wi-Fi connectivity.

The SG1000 is back by a 2-year limited warranty, as well as
